

# APRIL SCHOOL HOLIDAY CRICKET PROGRAM

## PATHWAY TO NEXT SEASON

### EXPERT COACHING

Our talented and experienced coaches work under the guidance of Elite Cricket founder and former Australian XI and Australia 'A' representative Mark Atkinson.

### HIGH QUALITY PROGRAM

The program will focus on reviewing your performance this season and identifying areas of your game requiring improvement.

Working individually and in small groups over two days players will work with Elite Cricket coaches in the nets, with the bowling machine and in game scenarios to identify what work needs to be done to improve tactical and technical skills critical to their game for next season.

Players will receive a detailed report including technical and tactical analysis and key recommendations on areas needing improvement.

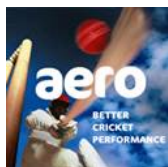

The off-season is an excellent time to work on your skills without the pressure of gameplay and all players in the program will be offered the opportunity to purchase a special promotional package to attend over the winter of May, June and July a series of 5 x High Performance Individual Coaching sessions but only pay for 4 (\$300).

Players taking up this offer should bring the report from the Pathway Program to their first session, with a further report to follow the final HPIC session to identify areas of improvement and further recommendations and practice suggestions.

### PLEASE BRING

- Personal cricket equipment

- Hat and sunscreen
- Players will receive Elite Cricket cap

### THE PROGRAM RUNS FROM 9AM TO 3PM
